O R D E R:-

In the references 4th read above, the Engineer-in-Chief (Irrigation) has stated that based on the request of the M/s Empee Distilleries Limited, he has recommended the Government in the reference 3rd cited to accord permission for drawl of 12 Lac Liters of water per day i.e. 0.0155 TMC per annum from Manjeera River Downstream of Singur Project based on the report submitted by the Superintending Engineer, Irrigation Circle, Sangareddy, vide his Lr.No.SE/IC/SRO/241/3, dt:27-07-2011 and the Superintending Engineer, Irrigation Circle Sangareddy in his letter dt: 01-12-2011 has submitted the details of the water drawl period and storage facilities furnished by M/s Empee Distilleries Limited as follows:

1. A storage Tank (R.C.C) of size (27X16X3 Mtr) i.e. 1296 KL is constructed do draw water and stock by the firm.
2. The water will be drawn in day time from 9.30 a.m to 5.30 p.m.
3. The water will be drawn during June to November (6 months period).

2.The Engineer-in-Chief (Irrigation) has therefore, recommended for water allocation of 0.0155 TMC per annum from Manjeera River Down Stream of Singur Project to M/s Empee Distilleries Limited subject to the conditions mentioned in his letter.

3. Government after careful examination of the proposal hereby accord permission for drawl of 12 Lac Liters of water per day i.e 0.0155 TMC per annum to M/s Empee Distilleries Ltd., for their proposed 60 KLPD Grain Based Distillery at Choutkur (V), Pulkal (M), Medak District from Manjeera River Down Stream of Singur Project.The proposed drawl for this plant should not affect Lower Riparian Rights (LRR) and Upper Riparian Rights (URR) in any manner and subject to concurrence of District Collector, Medak, and clearance of Pollution Control Board, following Special Terms & Conditions apart from usual terms & Conditions and also obtaining other Departments permissions as per Law/Rules:-

1. All arrangements for drawl of water from Manjeera River must be at their own cost.
2. Release of effluents shall be fully taken care as per the PCB regulations.
3. Water rates may be collected for consumptive use as per the G.O.Ms.No.115, I&CAD (Reforms) Dept., dt: 27-06-2015 and subsequent Government orders issued from time to time.
4. The firm should make its own arrangements for creating storage facilities to avoid drawls from river during non-monsoon period.

// 2 //

5. The department is no way responsible of non-supply /non- availability of water due to any reason in any particular water year.
 6. The annual requirement of water of 0.0155 TMC to be drawn from Manjeera River & only during monsoon period i.e. 15th June to 30th October every year subject to availability.
 7. The utilization should not exceed 0.0155 TMC per annum under any circumstances and necessary measuring arrangements have to be made by the firm.
4. The Engineer-in-Chief (Irrigation), Hyderabad shall take necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF TELANGANA)
